

EDEN ROCK - ST BARTHS

Eden Rock, a Relais & Chateaux member, is an exquisite boutique hotel along

a rocky promontory surrounded by vibrant coral reefs and turquoise waters, framed against the most spectacular backdrop of stunning white sand beaches.

The English owners, David and Jane Matthews, continue to wow their guests with luxurious and unique accommodations that cling to the rock or are positioned right on the beach. The two-bedroom “Villa Nina” with its own Mini Cooper and exclusive personal butler service is perfectly positioned beachside. Villa Rockstar is best defined as “a hundred million dollar yacht on land”. This four-bedroom luxury oasis with two single cabins built on three levels offering direct access to the beach, has been carefully designed to tap into the heart of an artist with its own recording studio and theatre/cinema screening room suite, a technogym, a spa pool and exclusive butler service.

The Sand Bar is the ideal setting for an island lunch on the beach. On the Rock offers exotic cocktails and dinner with picture perfect panoramic views of St. Jean. This haven also showcases a sea sports club with an array of water activities and parasols for a balanced relaxation on the seductive beach.

Profile: 34 units (7 villas, 14 suites and 13 rooms), children under 6 free in parents’ room, 2 restaurants, art gallery, 2 boutiques, gym, non-motorized watersports, yachts, dinghies and other boats, 24 hour room service and complimentary airport transfers.
