The Jalousie Plantation is located in one of the most spectacular and cherished sites in the world, Val des Pitons, Sugar Beach, a listed UNESCO World Heritage Site. This unique Caribbean resort with its awe-inspiring views provides the perfect setting for a secluded escape. With over 100 acres of lush rainforest and boasting the only pristine white sandy beach in its environs, guests are transported to a world which can easily be described as the meeting point of heaven and earth.

The rooms and villas are luxuriously designed, taking full inspiration from French Caribbean architecture with modern amenities.

The menu at the two restaurants will please even the most discerning palate, from elegant cuisine to casual tropical tastes complimented by a well-devised wine list.

The resort's setting is conducive to relaxation and rejuvenation which is why guests will be renewed at the Rainforest Spa. The spa menu features locally inspired all-natural treatments in seven tree house cabanas tucked amid the dense foliage on the lower slopes of Petit Piton.

Profile: 69 villas and 11 Luxury Sugar Mill rooms (children under 12 free when sharing parents' room), 2 restaurants, 4 bars, PADI certified diving center, complimentary butler service, watersports, tennis, fitness center, pool, spa, children learning center. Located on the beach, 45 minutes from Hewanorra International Airport (UVF), with nonstop flights from major east coast US cities. Located 90 minutes from Vigie Airport (SLU), with nonstop flights from San Juan. Open year round.
