

## GRAND HYATT KAUAI RESORT & SPA

To reach the ultimate state of tranquility, one must not only cross the ocean but also travel backwards through time. On the most lush of Hawaiian Islands, the charm of an era eighty years past still blooms at the Grand Hyatt Kauai, an oceanfront retreat dedicated to beauty, joy and pampered luxury. The lush grounds and infinite amenities present a myriad of options to create a personalized retreat.

From the ripples in the resort's meandering lagoon to the thrilling fire dancers at dusk, every moment has grace at this very special timeless resort. Golfers will delight in the famed Poipu Bay Golf Course, designed by Robert Trent Jones Jr. The resort features two pools with cascading waterfalls and waterslides, or nature's own crystal-clear lagoon, where guests can swim, snorkel, kayak or just lounge.

For blissful relaxation, the ANARA Spa offers a traditional Hawaiian body wrap or a Kauai clay mask treatment, followed by an open-air lava-rock shower. No building stands taller than a coconut palm, guaranteeing breathtaking views from each private balcony.
