

W RETREAT & SPA – MALDIVES

W Retreat & Spa – Maldives is a private playground, a water activities wonderland, a perfect natural sanctuary located in the turquoise waters of the Indian Ocean, in the North Ari Atoll of the Republic of the Maldives. The all retreat resort features a combination of 50 private overwater retreats, perched above a spectacular lagoon and house reef, and 28 bi-level, absolute beachfront oasis with views of the crystal clear Indian Ocean. Each retreat is a minimum of 1,600 square feet and incorporates a unique combination of Maldivian island village architecture blended with the contemporary W Design features for which the brand has become world-renowned. Every retreat features a wonderful, totally private habitat with seamless transition from indoor and outdoor environs.

Luxury is afforded with plunge pools, private custom-made furnishings, luxurious daybeds, surround sound music systems, plasma screen TV and the famous cloudlike W Signature beds.

The resort offers guests unique dining and bar experiences, an innovative AWAY Spa, exciting aquatic sports, and dive center facilities. They also boast having the only night club in the Maldives located 15 meters under the water surface conveniently called “15 Below.”

Experience the Whatever/Whenever team to deliver whatever you want, whenever you want it. The only place in paradise where water, reefs and sand come infused with W Hotels’ signature style and soul.
