

MOOREA PEARL RESORT & SPA

Moorea Pearl Resort is situated on 7.5 acres of a powdery-white sandy beachfront oasis. The volcanic peaks of Moorea reflected in the tranquil waters of Cook's Bay and Opunohu Bay rise like a shark's jaw from the island basaltic base. The mountain slopes are covered with pineapple plantations and white sand beaches border crystallized lagoons.

Luxurious accommodations consist of bungalows located overwater, on the beach, and in the gardens, most featuring sundecks, ceiling fans and air-conditioning. In addition, all garden bungalows now have private plunge pools. The overwater bungalows have large sundecks and sitting areas with direct access to the lagoon.

The culinary arts are supreme at Le Matiehani with a delightful blend of Polynesian and French flavor. The exotic setting of the poolside bar Autera'a is the ideal place to quench life's cravings, relax and escape into paradise. Also nestled in the heart of the resort, the Manea Spa has been conceived and built in pure tradition of Polynesian well-being. The wide variety of its coral seabed and the richness of its underwater life makes Moorea a very special diving destination. The island has a reputation for shark and ray watching and a special place for humpback whales.

Profile: 94 rooms & bungalows with LCD & DVD, children under 15 free in parents' room, 2 restaurants, poolside bar, watersports including diving, snorkeling, shark & ray watching, jeep safaris, motu picnics, island tours by canoe, spa, coral nursery.
