- ◆ Absolutely Magnificent!
- ◆ The Only Relais & Châteaux in Polynesia
- ◆ Spectacular Location & Architecture
- ◆ Intimate Pampering Hideaway

Member of the Relais & Châteaux, Le Taha'a is designed to be the most luxurious hotel in French Polynesia. Superbly located on the coral reef of Motu Tautau, the resort faces the island of Taha'a on the lagoon side and offers an unsurpassed view of Bora Bora Island, on the ocean side.

The facilities surpass all existing hotel accommodations in the South Pacific with the private patio and tropical gardens, private plunge pool (beach villas), spacious lounge and terrace, and private deck with direct access to the lagoon (overwater suites). The public areas are built in the trees, providing exquisite views of the lagoon and the island of Taha'a. Authentic Polynesian entertainment takes place most evenings in the main restaurant and provides a unique insight into the culture and history of French Polynesia.

Le Taha'a is the ultimate and exclusive hideaway of glistening beaches and sparkling waters in the South Pacific.
