- ◆ New Novia Mia Schooner Experience
- ◆ Oceanfront Suite Hotel
- ◆ Private Pool Casita Just a Few Feet from the Ocean
- ◆ The Largest Spa in Los Cabos
- ◆ Extensive Array of Activities

Marquis Los Cabos is a “home” away from home rather than a hotel. Located on the Sea of Cortez, all of the suites have a full spectacular oceanfront view. The architecture and décor represent the destination; featuring the lobby as the famous Arch of Los Cabos. The resort lives to exceed guests’ expectations and bring them a unique experience.

Marquis Los Cabos features 203 suites, five 1,500 square foot Master Suites, a 2,600 square foot Presidential Suite and twenty eight 1,800 square foot Private Pool Casitas. All suites include private balconies or terraces. In addition, all accommodations include luxurious amenities and inviting hydro-massage tubs. Each morning, guests will awaken to a Marquis breakfast placed in a private niche to be enjoyed at their convenience. This delicious amenity breakfast consists of a carafe of coffee, fresh fruits of the season and freshly baked sweet rolls.

If you can tear yourself away from the hotel, an endless array of recreational opportunities awaits. Sport fishing is first class; after all, Cabo is known as the “Marlin Capital of the World.” Golf, whale watching tours, kayaking, hiking and scuba trips are available. Or try an off-road Hummer adventure to the desert, mountains or canyons of the Baja Outback.
