Retreat to the rhythms of a tropical forest! Tucked under a forest canopy and designed around a network of crystal-clear waterways, Fairmont Mayakoba was created to harmonize with the unspoiled tropical forest it calls home. Savor the elegance of 401 guest rooms-including 34 suites located in a low rise hotel building or spread throughout the property in beautiful casitas with 2 to 4 rooms each, where you may gaze over lush forest, mangroves, lagoons, the golf course, or vistas of the Caribbean Sea. Each guestroom features LCD flat panel TV's, two-line phones, private balconies, Fairmont beds and oversized spa-inspired bathrooms, with a soaker tub, and a separate glass-walled shower stall.

Indulge your senses in 3 restaurants (2 of them AAA 4 Diamond), a European style market café and work it off at the state-of-the art health club. Willow Stream Spa features unique treatments in one of 20 suites. The golf experience at the 18-holes, par 72 El Camaleón Course, designed by Greg Norman is nothing short of spectacular. Sustainable development is key; transportation around the hotel ground is by foot, golf carts, bicycles or lanchas (boats) that transport you through a network of crystal-clear canals.
